

Carlowitz Congresscenter Chemnitz

The mtex+ is moving to the Carlowitz Congresscenter Chemnitz – the new centre for knowledge and sustainability (opening in March 2020).

- Flexible design opportunities for your individual presentation.
- An innovative atmosphere for exhibitors, trade visitors or guests from the worlds of politics and business to exchange ideas creatively.
- Short routes to the centre of the city for meetings that you will not forget, hotels and culture.

Fair & Convention
for Hightech Textiles

How you benefit from contacts and ideas

Chemnitz is just the place for developers, producers as well as users of high-tech textiles and composites. You will find the ideal place for discussions at the 8th mtex+ at the heart of the dynamic, Central German industrial and research region.

- + The inspiring source of innovative ideas and projects. The crucial step for future economic success.
- + The reliable basis for beneficial cooperation arrangements along the textile chain – beyond sector and national boundaries.
- + The brand for in-depth, personal meetings. Trust matures and prospers in Chemnitz – a tremendous asset with long-term value.

The topics at the fair & convention

- Textiles with (additional) functions
- Composites and lightweight textile design
- Process development
- Textile engineering
- Services
- Digitalised production/automation
- Sustainability and recycling
